Lemon Sheet Cake with Glaze

By The Food Charlatan

<https://thefoodcharlatan.com/lemon-sheet-cake/#wprm-recipe-container-29474>

Perfect for lemon lovers! MOIST cake, paired with a bright lemon glaze. The recipe feeds a crowd. Super easy to make.

Ingredients

For the cake

2 cups all-purpose flour, spooned and leveled
1 & 3/4 cups granulated sugar
1 teaspoon baking soda
1/2 teaspoon kosher salt
2 tablespoons lemon zest, from 4 lemons
3/4 cup lemon juice, from the same 4 lemons
1/4 cup water
1 cup butter, (2 sticks)
1/2 cup sour cream
2 large eggs

For the glaze

4 & 1/2 cups powdered sugar, sifted
1/2 cup lemon juice, from about 2-3 lemons
lemon slices, quartered (to garnish)
raspberries, to garnish

Instructions

Preheat oven to 375 degrees F. Spray a half sheet pan (18x12 inches) with nonstick spray, or line with parchment paper. Set aside.

In a large bowl or stand mixer, add dry ingredients: 2 cups flour, 1 and 3/4 cup sugar, 1 teaspoon baking soda, 1/2 teaspoon kosher salt. Whisk together, then use a microplane grater to zest 4 lemons into the dry ingredients. You should get about 2 tablespoons. Whisk the zest into the dry ingredients and set aside.

Juice 4 lemons, or as many as you need to get to 3/4 cup. Add it to a small saucepan with 1/4 cup water. Add 1 cup (2 sticks) butter to the saucepan and set over medium high heat. Stir occasionally until the butter

melts and the mixture comes to a boil, with bubbles all across the top.

Pour the wet ingredients into the dry ingredients and stir or beat until combined.

Add 1/2 cup sour cream and 2 large eggs. Beat until thoroughly combined, making sure to scrape the bottom and sides of the bowl.

Pour the batter into the prepared pan, and spread to the edges. Bake at 375 for 12-14 minutes until the edges are light brown and have started to pull away from the edges of the pan. A toothpick inserted into the center of the cake should come out with no wet batter on it.

Let the cake cool completely on a wire cooling rack. When the cake is completely cool, make the glaze. Sift 4 and 1/2 cups of powdered sugar into a medium bowl. Add 1/2 cup lemon juice and whisk until completely smooth. Add more powdered sugar to get the consistency you like.

Drizzle the glaze over the top of the lemon cake and spread to the edges. Let the glaze set up for 1-2 hours, until hardened on top.

Slice and serve! Top each slice with a quarter of a lemon slice and a raspberry, if desired.

Tony Evans Video Series!

The singles will be doing RightNow Media video studies from Tony Evans during the summer semester (May–July).

Living as an Overcomer

The unique hardships of our modern lives can often feel insurmountable. But God's Word reveals to us that there is no obstacle, habit, or situation we face that Jesus hasn't already given us the power to conquer. In this eight-session study, bestselling author Dr. Tony Evans examines how Christ's message to the seven churches in Revelation can challenge, convict, and lead us toward emphatic victory over any difficulty in life. As we heed God's instructions to the early church, we will learn to reject lukewarm faith and start living as overcomers.

The Power of the Holy Spirit's Names

The Holy Spirit plays the incredible role of both empowering the individual believer and the church—and as we study the Trinity's third member, we gain a clearer understanding of our omnipotent triune God. In this six-session series, Dr. Tony Evans leads us on an in-depth exploration of the Spirit's characteristics, duties, and mission among humankind. Take a closer look at some of the titles of the Spirit and appreciate how he influences and inspires our faith in Christ.
